Acting Deputy Chief, Administrative Services

Office of the General Counsel

Insurance for Private Automobiles

"The cost of such insurance shall be paid by the Agency and charged to the employee."

"I will maintain in force any liability insurance carried on said vehicle until it is delivered to the common-carrier at the port of embarkation. If none is carried, or that which is carried is deemed inadequate, I hereby authorize the Government to procure appropriate insurance on the vehicle and to charge me for the same."
